Dedication . . .

The 1948 CADMEA is dedicated to one whose radiant personality has given us inspiration and guidance throughout our years at Tennessee High:

To one who understands us and is willing to help us in every way she can;

To one who gives time and energy to the studious and the fun loving;

To one who makes every day a joyous one;

To a friend and instructor who has worked untiringly since 1944 to make the CADMEA the honor book which it has become;

She is the CADMEA, as well as many other lovely things, so we, the Cadmus Club, in dedicating this, the 1948 CADMEA, to Mrs. Marney, are only dedicating to her a part of herself.

Mrs. Mary Rucker Marney

Class Colors: Green and Gold

Senior Myth

The night was cold — the step was slow;
I, the Traveller, knew not where to go;
Mist of rain chilled my hungry being;
I was alone, afraid, and unseeing;
Then out of the storm appeared a face,
It was the Viking, of stalwart race.

The stranger took my hand and led
Me up the stony steps — I said,
“Brave Viking, tell me where we’re journeying.”
“This stairway leads to halls of learning.”
I looked about and in the night
Through the darkness shone a guiding light.

Brighter — still brighter, and in that hour
Out of the mist rose a lofty gray tower;
Of the Viking family I became a part
And knew the warmth of friendly hearts.
I served four years — gaining knowledge I treasure —
They were happy times filled with pleasure.

The years have passed, and I once more
Am the Traveller — unafraid to take the oar.
So with a memory, a tear, and fond farewell,
Tennessee High Vikings, set sail!

"The Importance of Being Earnest", well-known masterpiece of Oscar Wilde, was presented by the Seniors as their annual play production — a play of wit and satire, and a comedy of manners, it takes place in 1895, better known as the "chaperone age".

Loraine McClellan was crowned queen and Bill Cross king among the splendor of their court composed of runners-up in the Queen-King contest. The maid-of-honor and king's attendant were Martha Luttrell and H. B. Akers, respectively.

Outstanding THS Students Named For High School Register

Ten Seniors from Tennessee High School were nominated by the faculty and officially accepted for inclusion in the 1947-48 edition of the High School Register. The students selected to represent our school are Ann Rankin, Shirley Copenhaver, Charlotte Bowers, Virginia Carson, Hugh Kilgore, Buddy Godsey, Ned McClellan, Bill Cross, Jim Hilton and Charles Stophel.

The High School Register is "a biographical index of outstanding students selected from schools accredited by the Southern Association of Colleges and Secondary Schools or by the several states. Students are nominated by school officials on the basis of scholarship, leadership ability, service to school and community, personality and probable future usefulness to society." It serves a "three-fold purpose by giving public recognition of more than local significance to those high school students who have distinguished themselves, by providing an incentive for younger students, and by establishing a readily available and permanent record and sources of reference for those included. The 1946-47 edition included biographical sketches of more than fifteen hundred students representing more than two hundred schools."

We wish to congratulate sincerely these of our students who have been so honored.

JUNIORS

TODAY'S BUILDERS

by

BOB GLOVER

Must we look to our elders
For the strength of truth,
When we have the fresher
Minds of Youth?
Must we let the thoughts
That are already known,
Be the guide of our lives,
With no thoughts of our own?
Must we follow the paths,
The well beaten ways,
Long made by others of
The forgotten days?

Must we wait a lifetime
Before we begin
To remold this land
We now live in?
This is our future,
It's ours to mold,
It's ours to fight for,
And ours to hold.
We say, "Wait 'til tomorrow,
We can build with our sums."
But we'd better build now,
For tomorrow never comes.

ONWARD

by

HELEN MILLER

In this, the year of forty-eight,
All mankind must be brave and strong.
This day of prejudice and hate
Brings forth a universal fear.
The youth today hold heads erect
And say with courage, for they must,
"We stand for all that we select,
In heav'n above we have our trust."
We Juniors, only part grownup,
Can see the future rushing forth,
With trust we raise o'er flowing cup
And breathe a prayer to God for strength.
We have the knowledge, oh, so bold
To make our dreams those to come true,
But our minds and souls must take the hold
On things more lofty than we.
Grow! Grow! Grow! will become our every command,
As comrades, love shall reign on high,
And all we have wanted will make its stand
To build for all a better world.

"PURE AS THE DRIVEN SNOW"
or
"A WORKING GIRL'S SECRET"

Presented by
THE JUNIOR CLASS OF 1948

JEAN MORTON

DOTSY FAUCETTE

This year the Junior Class presented an old fashioned melodrama, "Pure as the Driven Snow" or "A Working Girl's Secret" by Paul Loomis. It was complete with villain, hero and heroine, all in modern dress and full of the old twang that our grandmothers and grandfathers loved so well!

Between acts of the Junior Play the Junior Class presented its Queen, Dotsy Faucette, and its Maid of Honor, Jean Morton, to the Student Body. Crowned by Dave Haynes, class president, Dotsy made a stately queen and Jean a beautiful attendant.

Christmas At Tennessee High

"Not what we give but what we share,
For the gift without the giver is bare."

The last days before the Christmas holidays found the halls ringing with cheery greetings, good wishes, and jolly laughter as the students carried daily to the Christmas tree their offerings for the County Poor Farm. Fruit, canned goods, candy and nuts as well as books and clothing were packed for our less fortunate citizens by the officers of the student body and the classes. It was indeed for all "A Merry Christmas!"

"I heard the bells on Christmas Day
Their old, familiar carols play,
And wild and sweet
The words repeat
Of peace on earth, good-will to men!"

Student Body and Class Officers Decorate the Christmas Tree

It's been some
being in your speech
class and loved it
have learned a whole
lot - (Believe it or not)
Shall I make you up?
I've never had so
much fun in all my
life - and it's been
drawing you the
High School - I can't miss
you next year but
I hope to see you
around town -
Lots of love

SOPHOMORES

MY LIFE

I hope that I shall some day be
A man, and help humanity;
A man whose heart is filled with love,
Whose soul and mind reach far above;
A man who laughs and sheds a tear,
And looks to God His words to hear;
A man who never will have fame,
But all will love him just the same.
And when his work is done with men,
The Lord will call his soul, and then
He'll die and leave a memory.
This life I pray will come to me.

—FREDDY CRUMLEY

A LOVELY SONG

I think that I shall never hear
A song so lovely to my ear.
It fills my soul with sweet content;
I think that it was heaven sent.
It told a love so good and true,
It made me sad when it was thru'.
The songs live on, tho' we must die;
They live for e'er, I know not why.
I only know that in my heart
This lovely song become a part.

—LINDA STONE

Softly
The wind whispered;
The church bells called to me.
And they seemed to tell me gently
To pray!

—KATHERINE BROYLES

LIMERICK

There was once an old lady named Ruth,
Who sold candy she made in a booth.
But one day she got mad,
When I called her a cad,
'Cause her candy had knocked out my tooth.

—CHARLES NORTON

LOVE

In love there is no creed or race
Nor nationality,
For all do love and love alike,
No matter where they be.
No man without a faith can love
A love so pale and sweet,
For in his soul a man doth love
And love eternally.
Love is the purest gift of God
To every human soul,
And every man was made to love,
For God doth love us all.

—BEAU FREDERIC BIRDWELL

THE MISTY MOUNTAINS

The misty mountains that I can see
Are wild and beautiful; they terrify me.
Their lofty peaks rise to the sky
And fleecy clouds drift slowly by.
I like to gaze and gaze at them
Until my eyesight begins to dim
When the day is bright and clear.
To me the mountains are very dear.
I like to think in the years to come,
That underneath the summer's sun,
The old, old mountains over the hill
Will bring to me the same old thrill.

—KATHERINE BROYLES

LIMERICK

There once was a boy who was crazy;
He had a girl friend who was Mazy.
They liked to go walking;
They never stopped talking.
'Til finally Mazy went crazy.

The Tennessee High School Aeronautics Club was organized Feb. 13, 1947 by those students who were interested in aviation.

It was organized to promote future interest in flying and to help those students who had already started flying to continue in aviation. The members are taught elementary navigation, mechanics, and radio. The club received a commendation from the Civil Aeronautics Administration, Department of Commerce, for its aid in making the air marking program a success in this locality.

The Phi Beta chapter of Tri Hi-Y was organized in 1946. This chapter is one of the many which make up the National Hi-Y and Tri Hi-Y organizations.

The purpose of the Hi-Y is: "To create, maintain and extend throughout the school and community high standards of Christian character."

Our slogan is: "Pure in thought, pure in words and pure in action."

The colors of the Tri Hi-Y are red, white and blue — red, for sacrifice; white, for purity; and blue, for loyalty.

We feel we have had a very successful year and all of us extend to Miss Sivells our sincere thanks for being such a wonderful sponsor.

OUR PROMPTERS

"Hi, Tennessee - - - - -
Yea, Vikings - - - - -"

What are we here for?
That's our cry:
V-i-c-t-o-r-y—
Are we in it?
Well, I Guess!
Tennessee! Tennessee!
Yes, Yes, Yes!

This is one of the many cheers with which our cheerleaders have led us to increase our pep and school spirit 100%. We want to thank and congratulate them for being our "prompters" and helping us make our perfect season a little more perfect.

Maroon and White,
Maroon and White,
Here we come with all our might.
Sis, Boom. Hic, Hike, Hike,
Tennessee, Tennessee,
Fight! Fight! Fight!

DELWYN ELLIOTT
Conductor

This year Tennessee High is proud and honored to have as its Band Director, Mr. Delwyn Elliott. Since the very first day Mr. Elliott joined us, he has become a true friend and companion to every student at B. T. H. S. He attended N. S. T. C., Carroll College, and the University of Michigan, where he received his Bachelor of Music in 1943 and M.M. in 1947. During World War II Mr. Elliott served with the armed services thirty-one months, twenty-one of them overseas.

The fall semester was spent concentrating on the marching band. Marching at all the football games, our band made many formations that symbolized the true spirit of Tennessee High games. The band also appeared in the Christmas parade in Bristol.

The spring semester opened with the music department concentrating on the concert band and its schedule. This band played in the annual concert on April 16 and on May 2 the band combined with the grade school vocal groups, who sang a medley of folk songs with the concert band in accompaniment and the athletic department which staged folk dances, to present a spring festival.

The German Band Club was organized this year to meet during the activity period on Mondays. They have made several appearances during the year and have made an outstanding hit among the students with their music.

B. L. McKINNEY, R. O'NEIL, MISS HART, M. REXROD

Approximately one hundred and eighty girls participate regularly in health and physical education classes at Tennessee High.

A varied program of activities is carried on to meet the needs of all the girls, and tournaments are held annually in the major and minor sports.

It is our desire to promote interests in athletics and to create, maintain and extend throughout the school and community a high standard of sportsmanship and citizenship.

Miss Hart attended Tennessee Polytechnic Institute, Cookeville, and received her B.S. degree from Middle Tennessee State College, Murfreesboro, Tennessee.

GENERAL ATHLETICS

Athletics play a major part in the wholesome, all-round development of the students of Tennessee High School. From the time of the first football practice period in the fall to the time when the last track and baseball suit is turned in, in the

spring, these men give their skill and ability in developing winning teams for Tennessee High.

The athletic program is very important in every school and Tennessee High is one of the leaders of this section in that respect.

THE 1947 FOOTBALL SEASON

Participating in a strenuous ten game schedule that did not allow a single let-up during the season, the 1947 Vikings won seven of its contests.

After winning the first game of the season from Rule 19-6, the Vikings dropped a heart-breaker to Morristown by the margin of a touch-down, 14-20 made on the last minute of play of the game. The following week the locals won from Maryville 13-12.

On the three succeeding week-ends the Vikings fought their way to victories over Abingdon 19-0 and over the highly favored Loudon 6-0 and Johnson City Warriors 14-6. The strain of heavy competition began to tell and the following week-

end in a sea of mud and costly fumbles our team lost to Elizabethton 33-7.

After this defeat the Vikings played a brilliant game in defeating Erwin 14-6. The third loss was at the hands of the state champ, Kingsport 26-0, a better game than the score indicated, the Vikings showing a passing attack rated by college coaches as one of the best in scholastic circles.

In the traditional contest with Virginia High, the Vikings ended a brilliant season by winning 41-0.

Most of the lettermen will return next year for a team that should be one of the very best.

TRACK

The Tennessee High Track Team finished the track season by placing second in the Big Five Meet, second in the Milligan Relays, fifth in the East Tennessee Meet, and dropped a dual meet to Johnson City by one point although winning nine

of the fifteen first places. Outstanding performances were turned in by Ed Olson, R. Brake, J. Ely, D. Donaldson, B. Cross, R. Oliver, B. Felty, H. Haynes and P. Templeton.

R E S U M E'

THE 1947 BASEBALL SEASON

BIG FIVE WINNERS

The 1947 baseball machine put out by Coach Steve Boretsky had a season which showed up more individual characteristics of the players than usual, Templeton, Garrison, Cross, Puckett and Burnett making the Big Five all-star team. Burnette rated as one of the best pitchers in Tennes-

see State baseball circles, Garrison's batting .549 and Puckett's .500 are feats that speak for themselves.

With the loss of only Loving, Burnette, Houston and Felty the 1948 season should be one of the best in the school's history.

THE 1947-48 BASKETBALL SEASON

Under the guidance of Coach G. B. Pierce, the Bristol Tennessee High Vikings went undefeated through the 1947-48 season, entered the District, Regional, and State Tournaments, and lost the State Championship to West High of Nashville, Tenn.

The Vikings won the City title from Virginia High in two consecutive wins by scores of 54 to 27 and 63 to 35.

Also won by Vikings was the Big Five Crown with a perfect record of 8 wins and no defeats.

Our team consisted of five lettermen from last year: Peden Templeton, Manuel Garrison, Bill Cross, Richard Harr and Charlie Nickels, and in addition Joe Byrd, Jim Flannagan, Lawrence Puckett, Dave Haynes and Bill Ward.

The 15th District Tournament held in Virginia High's new gym on Feb. 25, 26, 27 and 28, was won by the Vikings. Teams beaten by Tennessee High were—Holston High 62 to 42, Sullivan High 48 to 29, and Bluff City, in a 28 to 27 thriller.

The Vikings traveled to Knoxville to the Regional Tourney which they won in exciting games. The Vikings met Rush Strong in their first game, winning 65 to 40. In their second game they defeated Bradley County High School 63 to 34. The third win over Soddy-Daisy on Saturday afternoon was 40 to 36, and the Vikings came back that night to win over Happy Valley 47 to 42 in a comeback over-time period.

Charlie Nickels, Tennessee High's 6'6" center, was the attraction of the Regional Tournament, winning the trophy for the most valuable player of the tourney. Manuel Garrison made the second all-tournament team and Nickels made all-tourney center. In this tournament the Vikings showed their fighting spirit.

The undefeated basketballers then returned to Knoxville to the State Tournament, defeating Grove High of Paris and Father Ryan of Nashville before losing the championship fray to West High of Nashville. We're proud of you, Vikings!
